

In re application of CABRERA ET AL.
Serial No. 09/361,641

REMARKS

The Office action has been carefully considered in view of the advisory action dated August 8, 2004, in which claims 49-65 and 76-89 were allowed, and claims 66-75 were rejected. By the present amendment, claims 66-75 are canceled. As a result, all of the pending claims (49-65 and 76-89) have been indicated as allowed. Entry of this amendment is respectfully requested and timely allowance of this application is earnestly solicited.

Conclusion

In view of the foregoing remarks, it is respectfully submitted that claims 49-65 and 76-89 of the present application are patentable over the prior art of record as indicated in the Advisory action, and that the application otherwise is in good and proper form for allowance. A favorable action on the part of the Examiner is earnestly solicited.

If in the opinion of the Examiner a telephone conference would expedite the prosecution of the subject application, the Examiner is invited to call the undersigned attorney at (425) 836-3030.

Respectfully submitted,
